ABOUT 4-TIRES-NOW

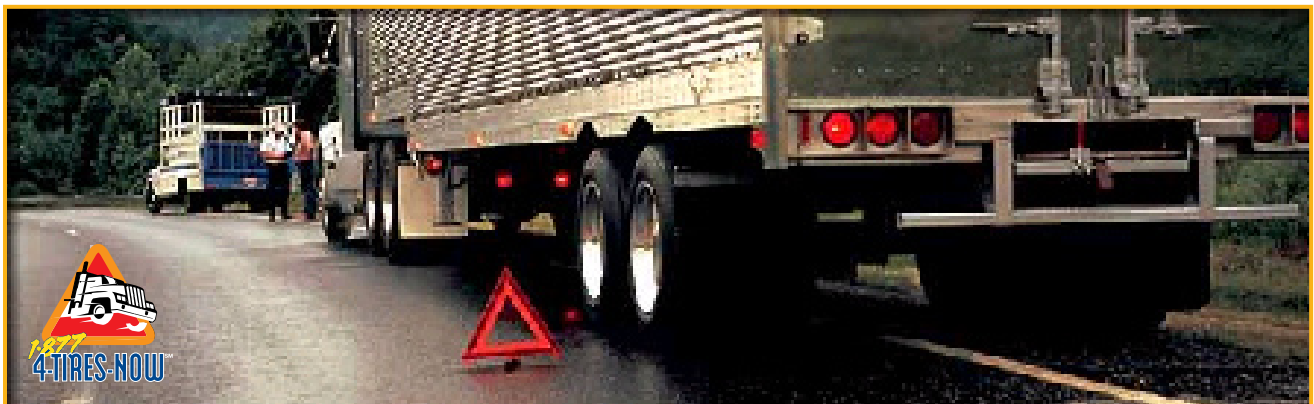

Reduce costs and downtime of your over-the-road tire related emergencies with 1-877-4-TIRES-NOW. As a TruckersB2B Gold Member, you are automatically enrolled in 4-TIRES-NOW, a 24-hour emergency roadside service for your tire needs. This program connects your driver to a support person who has access to Goodyear's vast network of service outlets -- nearly 1,700 -- throughout the United States and Canada. Goodyear is dedicated to getting your trucks back up and running as quickly as possible. Plus, you will have access to your established national account pricing through the TruckersB2B Gold Program National Account.

THE BIG ADVANTAGE

What is the big advantage of 4-TIRES-NOW? Simply put, this program ensures fewer delays, less downtime and lower costs. Not to mention, factual information and data that allow you to keep an accurate log of service events.

THE LOW PRICE

There is no 4-TIRES-NOW dispatch fee when using the TruckersB2B national account. Plus, you receive your established national account tire and service pricing through the Gold Program. Reduce your downtime and roadside assistance costs and receive guaranteed Goodyear quality.
